

AROUND HERE
HERITAGE
ISN'T SOMETHING YOU SEE
IT'S SOMETHING YOU
SHAPE.

Join the conversation with the Torbay
Museum's self-guided audio tours –
Sheritage [sharing + heritage].

Grab your cell phone and start exploring the **Town of Torbay**.
Sheritage lets you hear personal stories on location. When you're out
for a walk, look for the Sheritage signs throughout the community.
You'll see a phone number and a 3-digit-code. Dial the number on
your mobile phone, punch in the code, and hear a local story about
the spot where you're standing. **Call, consider and then comment.**

*For your free Sheritage site map, visit the Torbay Museum or the Torbay
Town Hall located at 1288 Torbay Road.*
